(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

The above referenced patent application was filed on 12/10/2003. Applicant submitted a Change of Address on 06/07/2004 requesting the address be updated to the customer number 42640. The customer number was incorrectly entered. Consequently, Applicant never received the Office Action dated 12/10/2005, resulting in the application becoming abandoned.

Upon review of the file, Applicant noted no office action had been received, investigated the cause and determined the case had become abandoned.

Applicant requests withdrawal of holding of abandonment of application because the abandonment was unavoidable.

(Please attach additional sheets if additional space is needed.)
